Question 1 – Overall Direction

Overall, do you support the proposed direction of the South Yorkshire Local Nature Recovery Strategy?

Question 2 – Nature Recovery in Your Community

Thinking about where you live, work or spend time:

- What opportunities exist for nature recovery in your community?
- What local strengths can we build upon?
- Are there important local issues the strategy should recognise?

Question 3 – Delivering Nature Recovery

Who has the biggest role to play in delivering nature recovery?

Question 4 – Challenges and Barriers

What are the biggest challenges or barriers to nature recovery in South Yorkshire?

Question 5 – Where Should Action Happen?

Where would you most like to see action taken for nature recovery?

Please record place names, locations or postcodes where possible.

Question 6 – How Could You Help?

What action would you, your group or organisation be willing to support in future?
